

**DRAFT**  
**Zone 56 (Grades 5 & 6)**

This class would meet in the Emmaus Room on Sunday mornings with Grant Spencer as lead teacher. A minimum of two other adults will be identified, trained and equipped to fill in and/or assist as needed.

Curriculum: Bible Black Belts by Mark Burrows. This curriculum is specifically written for tweens and includes a balance of activity and reflection, quiet and physical movement.

It brings together the active piece that makes Faith Builders fun and adds the contemplative/reflective piece needed so they begin to settle in to the Bible stories and make them their own.

Core Principles:

- Reflect
- Connect
- Respect

Uses a variety of Bible translations (all of which we have)

Needs:

- Rack for belts
- Real karate/Tae Kwon Do belts
- Student belts (made out of felt) which can be requested in our annual fall “giving tree” request)
- Large posters of the Core Principles and Bible Black Belts Pledge
- No tables & chairs in the room – perhaps purchase a rack to move tables in and out quickly. Sunday morning Faith Builders Assistants can do this.
