

# Free document shredding

Advent United Methodist Church

3945 Lexington Ave. S.

Sat., Aug. 19

10am - noon

## **Bring us your piles of paper!**

Veteran's Shred It Truck will be at Advent UMC for our 5th annual "Advent Cares Day," so start gathering what needs to be shredded. Please forward this on to your friends, family and neighbors, too!

Advent UMC in Eagan will have a free document-shredding event at 3945 Lexington Avenue South on Saturday, August 19, from 10am until noon. Personal shredding, no businesses. Two bags per person. Your personal papers will be shred while you are there.

It's free, but donations to defray the cost are welcome.

Advent Cares Day started five years ago when our church was celebrating our 30 year anniversary. Instead of "celebrating" internally, we wanted to thank the community where we are located. So, with that in mind, we have over 100 of our church family going out into the community to do various jobs at local organizations. We'll be doing various projects including washing windows, landscaping at schools, leading worship services at senior centers and packing meals at Feed My Starving Children. For the fifth year, Advent UMC is giving back to the community it calls "home."
