Sunday, May 3 rd	9:00am – 12:00pm	Confirmation Day!

- Listed above are the dates for class time, worship time and service time.
- We anticipate that all students will be here for Advent Cares Day in the morning and then stay for the kick-off time. This is our retreat time at the church – we'll be baking bread, having fun, eating together, getting acquainted and so much more!
- There are six service projects to choose from, each student selects 2 plus Enchanted Evening for a total of 3 service projects. Info on how to sign up will be at the parent meeting (that date is still undetermined, as we wait for our new Lead Pastor to begin).
- You will see that the worship Sundays are all on the first Sunday of the month when Communion is offered. These Sundays are part of our learning time and joyful participation is expected. Students will sit together with one of the pastors, take notes and stay after for a time of discussion and processing.
- Class time is also after church, as we heard from many parents that this would be more convenient – we will be asking family's to sign up to provide lunch.

Youth Nite Continues! We've made the effort to separate Confirmation from Youth Nite so that evening activities are relationship building – bring friends! Time together will include fun, service, and evening closing worship (and Snack Chat!).

We are so excited about this new model for Confirmation. Any questions can be directed to Pastor Cindy or Pastor Grant.
